

END OF SEASON SALE

A wide range of ex hire bikes and e-bikes are now on sale at incredibly good value prices. This is a great opportunity to purchase a quality brand, fully serviced mountain bike or electric mountain bike for an unbelievable price. Available now at Cyclewise Whinlatter near Keswick, Cumbria. Our 2023 model hire bikes are now arriving, so our 2022 season hire fleet is now available for sale. At the end of the hire season, our hire bikes stripped down to the frame and given a fully comprehensive service. This includes the forks, brakes and drive train. When the bike is re-built, new parts are added to ensure the bike is mechanically sound and in excellent working order. We recommend viewing and trying for size before purchase.
